HELLO BEDFORD!

Welcome to a new kind of community, bringing together modern new homes and big ideas around art, wellness and social connection. Our signature amenities are hubs for all things active, social and connected, including “parks with purpose” like bark parks, gardens and the upcoming Bedford Loop that connects everything together.

HUDSON HOUSE

Social connection and fun—redefined. Hudson House is the gem of Bedford and the site of iconic Bedford Life events, as well as private resident gatherings in the reservable spaces. Take a dip and revitalize at the collection of pools. Splash, play or just unwind. This is your dedicated hub to dive into good times.

Gather. Get fit. Exhale. Connect.
Or all of the above. The Shed
will be your place for all of it.
